DATA SHEET
DRAIN PROTECTION

CLAY DRAIN MATS 45CM X 45CM

PRODUCT
The Ecospill Bentonite Clay Drain Mat offers a rapid, single-use solution for sealing drains during spill emergencies. Each 45cm x 45cm mat is crafted from pliable bentonite clay, ensuring a watertight seal even on uneven surfaces. Supplied in packs of two, they can be combined to cover larger drains effectively.

PRODUCT NO	DIMENSIONS	QTY	CAPACITY
D4204545	45cm x 45cm	2	N/A

ADDITIONAL INFORMATION	
Application:	Ideal for immediate containment of spills near drains in industrial settings.
Weight:	10 kg
Usage:	Single-use mats that mold to surface contours, providing an instant seal without surface preparation.
